What to expect from the Hotel at Rock Lititz

Rock Lititz held a press conference for the ground breaking ceremony for their latest building, the Hotel at Rock Lititz, on Aug. 3.

Here are the details we learned about the coming hotel.

What hotel will it be?

The Hotel at Rock Lititz will not be part of any kind of hotel chain. It will be owned and operated by ARC One Lititz Partners LP, a partnership of Amerimar Realty Company, As One Management and ADCO American Development company.

What will the view be like?

Attendees at the ground breaking were allowed to take a ride on an elevated lift to see what the view would be like from the fifth floor penthouse suites once the hotel was finished. It allowed for a glimpse at the surrounding farmlands in addition to the Rock Lititz compound.
